PLEASE:

read with your child – every night would be great but at least 3 times a week. It makes a HUGE difference. As teachers we can see the gap between those children who READ at home and those who do not. This gap gets bigger and bigger and effects all of their learning, their confidence, and can effect they 'feel about themselves'. There may be a few children who don't 'want' to read, but most do.

Please come and talk to us if you are not sure about what to do or how to do it.

We are here to help.

ATTENDANCE is monitored daily as it is such an important factor in how 'well' a child does at school. This includes how 'well' they do in their friendship groups and how settled they are. Children often 'worry' about the work they miss as it can be difficult to catch up on that work. Children with attendance under 90% will be coming home with a letter each Friday. As always, please come and see us if there is anything we can help with.

SPORTS DAYS:

Foundation stage and Years 1 and 2
Monday June 11th (reserve day 13th June)

HPS does 'Sport Relief' Sponsored 500 Miles

Please help us to raise money to support Sport Relief this year. We're doing it on Friday 23rd March. (Fingers crossed for the weather!) You are welcome to come and join in if you would like to get yourself sponsored – just let us know.

It will also kick start our aim to get children to do a 'mile a day' to improve fitness and fun as the weather gets warmer.

Mrs Broughton, one of our HLTA staff is retiring at the end of this term. She has been here over 20 years. Although we will be sad to see her go, we wish her health and happiness for her future.

We are advertising posts for **3 teaching posts** for September 18 – 2 full time and 1 part time if you know anyone who would be great for our amazing school. We are also recruiting for a **level 3 TA**. More details are on the school's website and on JobsGoPublic.
